

East Midlands regional conferences

East Midlands CPD Partnership – the 9 local authorities working together

REGIONAL PRIMARY MATHS CONFERENCE

Supported by

National Centre
for Excellence in the
Teaching of Mathematics

GREAT MATHS, NATURALLY

Building confidence in primary maths

Monday 6th October 2008
Center Parcs, Sherwood Forest
Keynote speaker: Johnny Ball
Cost £130 ex VAT

This conference is for teachers and support staff in primary schools who are looking to enrich their practice. This event will take place at Center Parcs with both classroom and outdoor workshops to develop exciting approaches to the subject. Organised in partnership with the National Centre for Excellence in the Teaching of Mathematics, this is not a National Strategies event, but a simple chance to share and develop ideas from around the region for exciting learning in primary classrooms.

NB The conference will close at 3.30pm but delegates can make free use of Center Parcs leisure facilities, including the Tropical Swimming Paradise until it closes. A special rate of £22 for the Aqua Sana spa centre is also available.

Johnny Ball has been popularising science and maths for 30 years, writing and presenting 23 solo television series and publishing books. As well as giving specialist lectures, he has also written and produced educational stage musicals, including "Tales of Maths and Legends" and "Tales of Blooming Science" for DCSF. His "Mind Zone" live show at the Millennium Dome sold out every single show. Johnny's unique blend of educator, presenter and comedian make him the ideal inspiration for schools.
